

VISSTUN PRODUCT LABEL EXPLANATION

Our lot number is a sequential number assigned to a specific batch produced at Visstun. This lot number is printed on the bottom of each cup, on the box label and on each invoice.

Lot numbers are 6 digits and are not reused; each is a unique identifier for a specific batch.

Below is an example box label.

Qty: **1000** Lbs: **20.0** Box# **1** of **1**
